Our Project Development Roadmap

Client Testimonials

Mr. Yediköylü

CEO, SMARTLINE Company

Merhaba Öncelikle ellerinize sağlık, gerçekten şahane olmuş. Hızınız ve detaylara verdiğiniz önem beni çok etkiledi. Benim bile gözümünden kaçan şeyleri fark etmişsiniz, bravo Böyle titiz ve ilgili bir ekiple çalışmak gerçekten keyifliydi
Çok teşekkür ederim

Mr. Eghbali

Commercial Director, Atlas Machine Polymer Company

After nearly eight years of working with a large agency, we decided to collaborate with Tekan, a young and energetic company. This decision became a turning point for us, leading to remarkable growth in a short time. The team's dynamism and innovation helped us achieve our goals faster and more efficiently, resulting in a truly productive and refreshing experience working with this passionate group.

Mr. Sahabi

Digital Marketing Manager, Mizito Company

Our collaboration with Tekan started by chance, we initially worked on a test project, but the team's flexibility, precision, and remarkable follow up quickly impressed us. As a result, we continued to collaborate on multiple motion graphics projects, each executed with the same high level of professionalism and creativity.

Mr. Dadgar

CEO, Hardex Tools Company

The most important aspect of working with the Tekan team was the genuine sense of unity and their proactive approach throughout the project. Their dedication allowed us to overcome every challenge effectively. Today, Tekan feels like a member of the Hardex family. The close collaboration and mutual understanding between both teams helped us achieve our goals swiftly and with outstanding quality creating a successful and lasting partnership built on both professional progress and strong human connection.

Why Tekan?

At Tekan Digital Marketing Agency, we never offer pre made packages out of respect for our clients
Every service and project is custom designed and tailored to the unique needs, goals, and characteristics of each brand
For a better understanding and to choose the services that suit your requirements, you can contact our consultants and schedule a dedicated consultation session

1

Specialized Expertise

At Tekan, we work exclusively with industrial companies, construction industry firms, and food manufacturing factories, leveraging deep experience in these sectors.

2

No Time Limitations

With 24/7 support, we are always available to assist you. We also provide accurate and detailed progress reports to keep you fully informed throughout the collaboration.

3

Formal Contract Option

If required, we can establish a formal contract with full mutual commitments, ensuring a transparent and reliable partnership.

4

Innovation and Custom Design

Our clients recognize Tekan as a knowledge-driven, innovative, and creative agency. Every project is executed with customized, goal-oriented design.

5

Money Back Guarantee

In the event of any failure to meet commitments by either party, up to 70% of the contract amount will be refunded.

6

Fast and High-Quality Service

Tekan limits the number of projects it takes on to ensure that quality, accuracy, and speed remain our top priorities for every client.

Tekan Digital Marketing Agency

We are pleased to have had the opportunity to dedicate time to the development of your business. If we have the chance to collaborate with you, we will strive to achieve our mission together. If not, we are glad that this proposal has helped you make an informed and confident decision.
